**A FUNDRAISER TO SUPPORT UNION VILLA LONG TERM CARE**

Join us in enhancing the experience of aging and helping our residents  
age well and live better.

Join us and **Golf FORE Union Villa!**

Enjoy a day of fun, camaraderie, and community support at our Annual Unionville Charity Golf Classic benefiting the Union Villa long-term care residents.

**Fund raised from this year's fundraising event will contribute to enhancing and advancing our dementia-friendly care model, DementiAbility, throughout the Home.** Implementing true innovation to deliver impactful interventions that will transform the daily experiences for our residents will require a significant financial investment.

This initiative is a top priority for Unionville Home Society as we work to foster a life enriched with purpose and meaningful engagements for all living at Union Villa, especially those with dementia.

### **Event Details:**

- **18-Hole Course:** Tee off and enjoy a round of golf on a picturesque 18-hole course. Whether you're a seasoned golfer or a beginner, this event is for everyone!
- **Food & Refreshments:** Indulge in delicious meals and refreshing beverages served throughout the day to keep your energy levels high.
- **Prizes:** Exciting prizes await the top performers and participants in various categories. Don't miss your chance to win!

This tournament is a fantastic opportunity to come together, have a great time, and contribute to a meaningful cause. Your participation will make a significant impact on the lives of our long-term care residents and the staff who provide compassion and care each day.

We look forward to seeing you on the green!

## **THE IMPACT OF GIVING**

Since 1991, our fundraising initiatives have directly impacted the care and comfort of Union Villa residents. Over the years, fundraising efforts have rebuilt Union Villa, supported dementia friendly initiatives, replaced resident beds, mattresses, dining room tables and chairs, enhanced communal resident living spaces, upgraded resident rooms, funded music, art, and clown therapy programs, purchased restorative and diagnostic equipment so that residents can age in place, and more. These investments in resident care and comfort have been made possible because of our generous and thoughtful donors.

## **ABOUT UNION VILLA LONG-TERM CARE**

In 1970, the Unionville Home Society (UHS) started its mission by opening Union Villa, a 160 bed long-term care home. Since then, UHS has inspired hope and contributed to the health and well-being of residents by providing innovative, accessible and exemplary care and service; while responding to the community's changing needs. Union Villa receives basic funding from the Ministry of Long-Term Care to provide nursing care, food, programs and accommodation. That funding just doesn't go far enough or provide for other amenities that make the Villa a comfortable 'home' for residents.
