

COLLEGE & UNIVERSITY CO-OP PLACEMENTS College and/or university students enrolled in the following program areas are encouraged to apply for our placement opportunities:

- 1) Activation Assistant
- 2) Community Service
- 3) Gerontology
- 4) Recreation Therapist Assistant
- 5) Social Service Worker
- 6) Volunteer Management Assistant
- 7) Fundraising
- 8) Communications & Marketing
- 9) Accounting/Payroll Assistant
- 10) Personal Support Worker Assistant
- 11) Art Therapy
- 12) Music Therapy

Working directly with each student, we will create goals to help the student achieve their learning objectives, while providing an experience that is directly related to their program of study.

Each student participates in different activities each semester, dependent upon their goals and program. Sample activities can include 1:1 visits with the residents, program analysis, program and special events planning.

If your program is not listed above, but you think that our placement opportunities would provide you with a valuable learning experience, please contact the Volunteer Services Department directly to discuss.
